Total amount: \$101,000 USD. All the finances for this project will be handled by ANMF Nepal just like the way we did our TUTH Oxygen Plant Project. This time the representatives from the Health Minister will assist us with the SWC process. ANMF Nepal will work with the vendor directly who will install the Oxygen Plant Project at the hospital. Upon completion, ANMF will hand over the Plant to the hospital officials. The maintenance of the plant will be the hospital responsibility after warranty is over.
